Confirmation Letter regarding Regulation (EU) No. 2025/40 , Article 5

Dear Sirs,

The Regulation (EU) 2025/40 on packaging and packaging waste, which entered into force on 11 February 2025, establishes key limits and thresholds in Article 5 of the EU Packaging and Packaging Waste Regulation.

HERMA GmbH does not use the heavy metals lead (Pb), cadmium (Cd), mercury (Hg), or chromium (CR VI), nor their compounds, as raw materials or additives in the manufacture of its self-adhesive labels.

Based on information of our pre-suppliers

HERMA Material

8424
8456
8465
8414

Customer Material

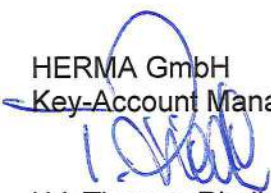

complies with the heavy metal limit values applicable under Article 5, Paragraph 4.

Best regards,

HERMA GmbH
